About the Training

Aftermath the Sweeping reforms, which was expected in the Indirect Tax laws, have rapidly increased the demand for knowledgeable and well-versed training program. In Indian context, there is a huge gap between theory and practice as far as tax legislation in India is concerned; there is always a need for training program that addresses practical issues related to taxation that businesses faces on everyday basis. To address this large need, Achromic Point and Shardul Amarchand & Mangaldas join hands to meet the growing training needs of tax professionals. This training program is highly focused and practice oriented and designed to provide the participants the technical expertise with the help of case studies and evaluation. We will take around 100 questions from delegates three days prior to the program date and provide answers to all of them within the stipulated time during the training session. This training program provides participants with an in-depth exposure to all areas of GST Law.
